Good morning Willy,

I'm am very sorry for the delayed reply. I have been in Indiana working to ensure that all the machines are unboxed and started. Todd has been at a Microcap convention in Las Vegas as a speaker this week so we both have been out of pocket. We expect to be able to talk today about the timing of the financing for the 600 machines. I have power and rack space to start them immediately so I want them right away. I expect that we are looking at early next week but please let me connect with Todd today and get back with our final plan.

Thank you again for understanding and I'm so sorry for the delay.
